WELCOME TO SPIRIT OF THE WEST ADVENTURES & THE WILD WEST COAST

Experience a true wilderness sea kayaking expedition on British Columbia's rugged and beautiful Pacific Coast. We access the majestic reaches of the remote Nuchatlitz Marine Park by water taxi from the west coast town of Tahsis. Once we've made it through the maze of fjords to the outer coast and the Nuchatlitz Marine Park, we're ready for a voyage of discovery along remote beaches and secluded coves. We will sea kayak through waters inhabited by a variety of sea creatures, from whales to sea otters and our route will meander between towering rock formations and into sea caves.

THE AREA

This remote area is one of the few places where you can escape the crowds. Accessing the park can be difficult as it is a considerable distance from the launch site and head winds are common in the inlets. To avoid this long and arduous paddle, Spirit of the West will transport you by water taxi to and from this prime kayaking destination. Once there we will establish our first night's camp on a secluded beach among old growth

forests. Each day we will explore the numerous islands, paddling through sea caves, towering rock pinnacles or checking out the many beaches that not long ago were home to an ancient west coast First Nations culture.

THE TOUR

Our adventure begins from Quadra Island or Campbell River as we journey two hours west along the scenic highway 28 to the town of Tahsis on the west coast of Vancouver Island. From here we jump aboard our water taxi and head into the heart of the Nuchatlitz Provincial Marine Park. En route, we take in the mountainous coastal landscape and keep our eyes peeled for wildlife as we pass by historic village sites. In the park, we have six days to explore. Our itinerary is quite flexible and the route will be mostly dictated by wildlife viewing opportunities, tide heights, wind direction/speed, and wave conditions. Our guides will base campsite choices on scenic qualities, availability, and of course, group preferences.

WHAT MAKES THIS TOUR SO SPECIAL?

If you crave adventure, and a desire to kayak and explore an area that few ever get to, then this west coast sea kayaking expedition is for you. Our expert guides know the area, the currents, winds, and of course the best camping and sunset spots!

Together with your group, you will see sites and visit places that are outside the realm of the modern world, and accessible to only a select few.

SUNSETS

The sunsets on the West Coast of Vancouver Island are simply stunning. Watch as the sun sinks over the horizon to the west and beautiful colours illuminate the skies. Most of the campsites on the Nuchatlitz tour offer west facing beaches where you can enjoy these amazing spectacles.

SEA OTTERS

The Nuchatlitz is home to one of the largest sea otter populations on the west coast of North America. Once hunted to extinction in this area, the sea otter was re-introduced in the late 1960's and now thrives. Their extinction caused considerable upheaval in the natural world, however with their return the area is returning to ecological health once again.

SEA STACKS AND CAVES

Formed by time, wind, and water, stacks are formed when part of a headland is eroded by hydraulic action. The force of the water weakens cracks in the headland and causes them to collapse, forming free-standing stacks and small islands. These formations, along with the numerous sea caves in the area, make for some of the some of the most picturesque and interesting paddling on the coast.

SAND

Most sea kayaking areas on the Inside Passage, between Vancouver Island and the mainland, have landing areas that range from rock to pebbles or gravel due to the lack of consistent wave action. Here on the outer coast we are treated to numerous beaches where you can walk barefoot and really get the sand between your toes.

SAMPLE ITINERARY

PRE-TRIP MEETING

DAY PRIOR

Your guides will go over the logistics of the tour and answer any questions or concerns you may have. This meeting will be held in the lounge at the Heriot Bay Inn on Quadra Island at 6pm the day prior to departure. If you cannot make it to the meeting just be sure to call our office the day before departure to confirm your arrival.

The Heriot Bay Inn has one of Quadra Island's best restaurants so you may want to consider eating there after the meeting.

MEETING LOCATION

You can meet us for this tour in several different locations depending on which is the most convenient for you. Our van will depart from Quadra Island the morning the tour starts. You are welcome to join us here (we will arrange meeting times and locations at the pre-trip meeting). You can also meet us in Campbell River as we pass through on our way to our final meeting and launching point in Tahsis.

THE TOUR

DAY 1

This is our travel day. We will leave Quadra Island and Campbell River in the morning and arrive in Tahsis by about 12pm. We will then meet our water taxi and transfer out to the Nuchatlitz where we will find our first night's camp and ready ourselves for the next morning's paddle. We will arrange transportation logistics at the pre-trip meeting the night before our departure, so if you can't make it to the meeting please be sure to call the office to discuss this with us.

DAYS 2 TO 5

On the Nuchatlitz tour there is no set itinerary. Instead, our route will depend on weather conditions and the group's desires. Our days will be spent exploring the picturesque islands, lagoons and sea caves hidden behind cascading waterfalls. We will also take some time out for walks, beach combing, or simply lounging and absorbing the magnificent surroundings. If we are fortunate we will end our days looking out at our famous west coast sunsets.

DAY 6

This is our last day to enjoy the marine environment of the West Coast. After our morning paddle and lunch, our boat transport will pick us up and take us back to Tahsis. Approximate return time to Campbell River is 7pm.

FREQUENTLY ASKED QUESTIONS

Below is a list of commonly asked questions. If you have any further questions or concerns please do not hesitate to call us.

WHAT IS INCLUDED? WHAT DO I NEED TO BRING?

There are no additional costs once on our tour. On our guided tours we supply everything that you will need for kayaking and camping except for a few personal items such as a sleeping bag and rain gear (these can be rented if needed), your clothes and toiletries. We are happy to pick you up free of charge from your accommodation on Quadra Island on the morning the trip starts and we will drop you off there when the tour is finished. All other transportation, food, gear, etc, while on trip is included in the cost of the tour. Once the tour begins we provide all meals and non-alcoholic beverages (wide selection of teas, coffee, juices, hot chocolate) from morning snack on day one to lunch on the last day. You are welcome to bring your favourite wine, beer or pop, but this is not included in the tour price. There is a grocery and liquor store very close to the location of the pre-trip meeting if you would like to pick up extra beverages on the evening before the tour.

HOW MUCH KAYAKING EXPERIENCE IS REQUIRED TO JOIN THIS TRIP?

No experience is required for this kayak tour! Our adventure is for everyone. Our trips are designed to cater to all levels of experience and abilities. The majority of people who join our tours are first time kayakers. All that we ask is that you welcome adventure with an open mind and are able to laugh and have fun when encountering the unexpected.

DO I NEED TO BE IN GREAT SHAPE FOR THIS TRIP?

No. Our adventures are not considered to be overly strenuous or physically demanding, and we do not require a high level of fitness. We just ask that you are

capable of a few hours of moderate exercise each day. Keep in mind that good general health will go a long way if we happen to encounter some strong winds or time restrictions. Most important is an adventurous spirit.

ARE THERE ANY AGE REQUIREMENTS?

Spirit of the West Adventures caters to all ages of adventurers. Although we do prefer a minimum of 12 years for our multi-day tours, we like to assess each case individually. Those concerned with being in 'their older years' are welcomed to contact us to discuss their physical abilities.

HOW MUCH PADDLING IS GENERALLY DONE IN A DAY?

Paddling time will vary depending on our destination and the group's abilities and desires. Generally we travel between 3-5 hours a day.

HOW STABLE ARE THE KAYAKS? WHAT IS THE LIKELIHOOD OF FLIPPING OVER?

The kayaks we use on our tours are stable and designed for comfort. For those a little concerned, the double kayaks are slightly more stable than the singles. The likelihood of a capsizing is minimal, and generally only occurs in an uncommon situation.

WHAT HAPPENS IF MY KAYAK FLIPS OVER?

If for some reason your kayak flips over, all of our guides have ample practice time on the water with rescue procedures, in order to quickly and efficiently get you back in your boat. At this point we will take you to the nearest shore to change into some warm cozy clothing and carry on with our journey. While we are out on the water, it is of the utmost importance that the group sticks together in the event of capsizing or change of route plan.

WHAT IF THE WEATHER TURNS BAD? WILL I BE COMFORTABLE AND WARM?

Our weather in the Pacific Northwest is generally pleasant from May through until the end of September. The temperature will vary slightly depending on which area you visit. In the Nuchatlitz area we generally experience milder temperatures than in Johnstone Strait. Fog is common in the summer on the outer coast, and may come and go through the day. Although it is uncommon, it can rain in the summer. A good rule of thumb is to be prepared for any type of weather and you will stay comfortable. Layering is the key, and it allows you to put on or take off layers while on the water if you need to.

WHAT SORT OF WILDLIFE MIGHT WE SEE ON THE TOUR?

The diversity and abundance of wildlife in the Pacific Northwest is one of our privileges. With river runoff from the mountains, ocean currents, tiderips, eddies and upwelling these waters are among the most productive on earth. In the sea this includes the rich marine life of colourful plants and invertebrates, seabirds, shorebirds, waterfowl, mink, sea and river otters, seals, sea lions, dolphins, and (if we are lucky) whales. There are also land animals including deer, raccoons, cougars, wolves and bears. For those with an eye for eagles take note that they are most prominent in the earlier months before the salmon migration in the late summer/early fall.

WHAT IS THE CAMP SET UP LIKE?

All of our campsites are in wilderness settings. We seek out sites with beautiful surroundings and those that offer solitude. There may be times (on occasion) when we are camping next to another group of kayakers. Where possible we choose camps near freshwater streams. The campsites in the Nuchatlitz are varied in kind but not in natural, spectacular beauty. From wide, sandy beaches to grassy knolls, each site will be a new experience.

WHERE DO WE WASH? ARE THERE TOILETS?

Fresh water is limited in this area, so seawater is your best bet for washing up. Please use biodegradable, environmentally friendly soap brands. We carry a portable toilet system and your guide will generally designate an area or system that works for ensuring your privacy. We are very accustomed to making sure all of our guests feel as comfortable and informed as possible in this regard - please feel free to ask us any questions you might have, before or during your tour.

WHERE CAN I LEAVE LUGGAGE THAT I WON'T NEED ON TRIP?

If you are staying on Quadra Island, many of the B&Bs offer free luggage storage - simply check with your host. Alternatively, guests staying on Quadra Island have the option of storing excess luggage at our office. Please ensure that your luggage is clearly labelled with your name, tour and trip date, and leave it with us on the first day of your tour for return to our office.

WHERE CAN I LEAVE MY VEHICLE WHILE ON TOUR?

Free parking will be available for your vehicle while on tour with us. Many of the accommodations on Quadra Island also have free parking included with your stay. Parking is also available in Tahsis for a daily fee. Parking details will be discussed further at the pre-trip meeting.

IF I WOULD LIKE TO TIP THE GUIDES, WHAT IS THE INDUSTRY STANDARD?

If you would like to express your appreciation to the guides through a gratuity, such recognition would be enthusiastically received. The industry standard for tipping is approx. 10% per person of the trip cost. All tips received will be collected and disbursed amongst your guides & basecrew by the trip leader.
