## WELCOME TO SPIRIT OF THE WEST ADVENTURES AND THE REALM OF THE WHALES

This tour is simply about giving you the orca kayaking experience at a price that is easy on the pocketbook while maintaining the high standards you expect from a Spirit of the West kayak tour. This will mean a few less frills than our Johnstone Strait Ultimate tour, and a shorter length than our Johnstone Strait Expedition. You will still have the best trained guides on the coast, top-of-the-line gear, industry leading pre- and post-trip service and most importantly, plenty of fun and adventure!

### THE AREA

Vancouver Island is the best place on earth to see killer whales in the wild. Most of British Columbia's 300 or so orcas return to these waters to feed, sleep, play, and rub their bodies on the pebble beaches of world famous Robson Bight Ecological Reserve. And there's no more exciting way to encounter pods of these fascinating animals than from the seat of your very own

sea kayak. Also sharing this diverse habitat are dolphins, porpoises, sea lions, harbour seals, humpback whales, eagles and black bears, to name just a few.

### THE TOUR

This trip begins from the Spirit of the West Adventures base on Quadra Island. We will then transport you up the scenic inland highway to historic Telegraph Cove where we will begin our kayaking adventure.

Prior to departure, the group will take part in a route planning session with the guides. After some kayaking skills instruction and packing our kayaks, we will begin our journey into the rich and diverse waters of Johnstone Strait. Our route and itinerary are flexible and will be dictated by wildlife viewing opportunities, tidal, wind, and wave conditions. To allow us to tailor make your holiday, we base our campsite choices on scenic qualities, availability and group preferences.

## A BIG ADVENTURE ON A SMALL BUDGET

Carried out in true Spirit of the West quality, the Orca Lite tour fits most individual, student and family budgets while still providing outstanding guide service, first rate kayak equipment and delicious food.

### PADDLE IN AND PADDLE OUT

Unlike our other tours, our Orca Lite tour does not make use of expensive water taxi services. Instead, we choose to navigate our way through the beautiful waters of Johnstone Strait under our own steam. We launch our kayaks in historic Telegraph Cove, a 2.5 hr drive north of Campbell River. After our 4-day adventure in the Strait we paddle back to Telegraph Cove where we meet our transport for the ride back to Quadra Island.

### THE ORCA LITE MENU

The Orca Lite menu is hearty, healthy, abundant and designed with simplicity in mind to enable us to spend more time on other activities such as wildlife viewing, paddling, and relaxing, and less time on preparation. In the spirit of the Orca Lite trip, we encourage our guests to take part in all aspects of the trip including the creation of each meal and clean up.

### LISTENING TO THE WHALES SING

We are equipped with a portable underwater hydrophone so we can listen to the beautiful songs of the orca as they pass while we are paddling.

### CAMPING

This is a true expedition style trip, which means we will move from camp to camp. If we find the perfect location we may choose to spend a couple of nights camped at the same beautiful sites. However, most nights we will be at a new campsite.

# SAMPLE ITINERARY

## PRE-TRIP MEETING

### DAY PRIOR

Your guides will go over the logistics of the tour and answer any questions or concerns you may have. This meeting will be held in the lounge at the Heriot Bay Inn on Quadra Island at 6pm the day prior to departure. If you cannot make it to the meeting just be sure to call our office the day before departure to confirm your arrival.

The Heriot Bay Inn has one of Quadra Island's best restaurants so you may want to consider eating there after the meeting.

## MEETING LOCATION

The Orca Lite tour launches from Telegraph Cove on northern Vancouver Island. The Spirit of the West Adventures van will be departing from Quadra Island and Campbell River on the morning of the tour. If you are traveling without a vehicle you are welcome to travel with us (no charge) to Telegraph Cove.

## THE TOUR

### DAY 1

Travel apx 2.5 hours from Quadra Island / Campbell River to Telegraph Cove by vehicle. From here we will go over the kayaking basics and essential safety procedures before heading off on our expedition. Our first day will be spent exploring the shorelines of Johnstone Strait on the lookout for the Northern Resident killer whales.

### DAY 2 & DAY 3

Paddle the waters of Johnstone Strait and possibly up to the nearby Broughton Archipelago. Our route each day will depend on weather, currents and group desires. We will stay at a different camp each night unless the group prefers to set up camp in one place for a couple of nights. We can be flexible and adjust the trip as we go.

### DAY 4

Paddle back to Telegraph Cove and transfer back to Campbell River and Quadra Island. We typically arrive back on Quadra Island between 4-6pm (weather and wildlife dependant).

## FREQUENTLY ASKED QUESTIONS

Below is a list of commonly asked questions. If you have any further questions or concerns please do not hesitate to call us.

### **WHAT IS INCLUDED? WHAT DO I NEED TO BRING?**

There are no additional costs once on our tour. On our guided tours we supply everything that you will need for kayaking and camping except for a few personal items such as a sleeping bag and rain gear (these can be rented if needed), your clothes and toiletries. We are happy to pick you up free of charge from your accommodation on Quadra Island on the morning the trip starts and we will drop you off there when the tour is finished. All other transportation, food, gear, etc, while on trip is included in the cost of the tour. Once the tour begins we provide all meals and non-alcoholic beverages (wide selection of teas, coffee, juices, hot chocolate) from morning snack on day one to lunch on the last day. You are welcome to bring your favourite wine, beer or pop, but this is not included in the tour price. There is a grocery and liquor store very close to the location of the pre-trip meeting if you would like to pick up extra beverages on the evening before the tour.

### **HOW MUCH KAYAKING EXPERIENCE IS REQUIRED TO JOIN THIS TRIP?**

No experience is required for our kayak tours! Our adventures are for everyone. Our trips are designed to cater to all levels of experience and abilities. The majority of people who join our tours are first time kayakers. All that we ask is that you welcome adventure with an open mind and are able to laugh and have fun when encountering the unexpected.

### **DO I NEED TO BE IN GREAT SHAPE FOR THIS TRIP?**

No. Our adventures are not considered to be overly strenuous or physically demanding, and we do not re-

quire a high level of fitness. We just ask that you are capable of a few hours of moderate exercise each day. Keep in mind that good general health will go a long way if we happen to encounter some strong winds or time restrictions. Most important is an adventurous spirit.

### **ARE THERE ANY AGE REQUIREMENTS?**

Spirit of the West caters to all ages of adventurers. Although we do prefer a minimum of 12 years for our multi-day tours, we like to assess each case individually. Those concerned with being in 'their older years' are welcomed to contact us to discuss their physical abilities.

### **HOW MUCH PADDLING IS GENERALLY DONE IN A DAY?**

Paddling time will vary depending on our destination and the group's abilities and desires. Generally we travel between 3-5 hours a day.

### **HOW STABLE ARE THE KAYAKS? WHAT IS THE LIKELIHOOD OF FLIPPING OVER?**

The kayaks we use on our tours are stable and designed for comfort. For those a little concerned, the double kayaks are slightly more stable than the singles. The likelihood of a capsize is minimal, and generally only occurs in an uncommon situation.

### **WHAT HAPPENS IF MY KAYAK FLIPS OVER?**

If for some reason your kayak flips over, all of our guides have ample practice time on the water with rescue procedures, in order to quickly and efficiently get you back in your boat. At this point we will take you to the nearest shore to change into some warm cozy clothing and carry on with our journey. While we are out on the water, it is of the utmost importance that the group sticks together in the event of capsize or change of route plan.

## **WHAT IF THE WEATHER TURNS BAD? WILL I BE COMFORTABLE AND WARM?**

Our weather in the Pacific Northwest is generally pleasant from May through until the end of September. The temperature will vary slightly depending on which area you visit. In the Johnstone Strait area, the weather will generally be cooler than what you may see on the forecast for Campbell River – sometimes by as much as 10 degrees. Fog is very common on summer mornings, however this nearly always clears at midday to make way for clear skies and sun. Although it is uncommon, it can rain in the summer. A good rule of thumb is to be prepared for any type of weather and you will stay comfortable. Layering is the key, and it allows you to put on or take off layers while on the water if you need to.

## **WHAT SORT OF WILDLIFE MIGHT WE SEE ON THE TOUR? WHAT ARE THE CHANCES OF SEEING KILLER WHALES?**

The diversity and abundance of wildlife in the Pacific Northwest is one of our privileges. With river run-off from the mountains, ocean currents, tiderips, eddies and upwelling these waters are among the most productive on earth. From the rich marine life of colourful plants and invertebrates, seabirds, shorebirds, waterfowl, mink, otter, seals, sea lions, dolphins, and whales, to the land animals of deer, raccoons, cougars, wolves and bears, we are bound to see something. For those with an eye for eagles take note that they are most prominent in the earlier months before the salmon migration in the late summer/early fall.

On the Orca Lite Tour we move between the open waters of the Strait and the intricate islands of the Broughton Archipelago. The days we spend in the more open waters of Johnstone Strait are the most likely time for us to encounter larger marine mammals such as Orcas and Humpback whales. As we travel deeper into the islands, keep your eyes peeled for dolphins, porpoise and all of the land animals with which we share this beautiful ecosystem. Please remember though that these whales are wild and can travel large distances in a day. You have put yourself in the best possible location for viewing and now you just have to see what mother nature provides.

## **HOW CLOSE DO WE PADDLE TO THE ORCAS?**

Day to day travel patterns for whales are unpredictable, so we travel in the most likely places to encounter them in order to maximize our opportunities to view them. Hearing the blow of a whale even from a mile across the Strait will create a sensation of excitement. Note that in accordance with industry whale watching regulations we do not approach whales within 100

meters. This is out of respect for the whales space and to ensure that we do not interfere with their natural behaviour.

## **WHAT IS THE CAMP SET UP LIKE?**

All of our campsites are in wilderness settings. We seek out sites with beautiful surroundings and those that offer solitude. There may be times (on occasion) when we are camping next to another group of kayakers. Campsite choice will be based on weather conditions, route choice and group size and preference.

## **WHERE DO WE WASH? ARE THERE TOILETS?**

There is very little fresh water in the Johnstone Strait area. Therefore, seawater is your best bet for washing up. Please use biodegradable, environmentally friendly soap brands. Toilet facilities are not common, although some campsites may have pit toilets and we carry a portable toilet. Your guide will generally designate an area or system that works for ensuring your privacy. We are very accustomed to making sure all of our guests feel as comfortable and informed as possible in this regard - please feel free to ask us any questions you might have, before or during your tour.

## **WHERE CAN I LEAVE LUGGAGE THAT I WON'T NEED ON TRIP?**

If you are staying on Quadra Island, many of the B&Bs offer free luggage storage - simply check with your host. Alternatively, guests staying on either Quadra Island or in Campbell River have the option of storing excess luggage at our office. Please ensure that your luggage is clearly labelled with your name, tour and trip date, and leave it with us on the first day of your tour for return to our office.

## **WHERE CAN I LEAVE MY VEHICLE WHILE ON TOUR?**

Free parking will be available for your vehicle while on tour with us. Many of the accommodations on Quadra Island also have free parking included with your stay. Parking is also available at Telegraph Cove for a daily fee. Parking details will be discussed further at the pre-trip meeting.

## **IF I WOULD LIKE TO TIP THE GUIDES, WHAT IS THE INDUSTRY STANDARD?**

If you would like to express your appreciation to the guides through a gratuity, such recognition would be enthusiastically received. The industry standard for tipping is approx. 10% per person of the trip cost. All tips received will be collected and disbursed amongst your guides & basecrew by the trip leader.

## ACCOMMODATIONS WHILE ON TOUR
