WHAT OUR GUESTS HAVE TO SAY

TESTIMONIALS FROM OUR PRIVATE BUBBLE GROUPS 2020

PRIVATE GROUP EXPERIENCES

"Truly such a wonderful break. Off my phone, on the water, sleeping so soundly. Really just what I needed. Our guides were just so fantastic. Interesting, genuine, kind, accommodating, and enthusiastic. We loved having a private tour so we could explore longer routes.

"I felt very very safe. It was nice not to worry about COVID for a few days. Staff were so careful and also so appreciative when we remembered our buffs if we got a bit close. I was so so impressed."

Jane Pegg

"Amazing food at camp, wildlife of all sorts, from bears and deer on the beach and all the amazing sea life. Entertaining guides who were happy to share their knowledge. The equipment provided was comfortable and in great shape, from boats, to tents, to sleeping bags."

"A trip highlight? Talking with my daughter as we paddled across Johnstone Strait and her telling me how she feels so relaxed and stress free and peaceful as we cruise along. It was an opportunity for our family to connect while we connected with nature."

Chris Bulowski

"The team at Spirit of the West created an amazing 5-day custom expedition for our group of 6 friends. Same outstanding service, guiding, paddling, scenery and food as on my previous trips, with the addition this year of well-thought out and executed COVID precautions."

binderdundat via TripAdvisor

We had booked before Covid closures but luckily were able to re-book a modified version as a private tour for two couples upon reopening. Through choice of routes, local knowledge and

timing the guides made each paddling outing unique and wonderful. Anyone of any age would enjoy the beauty and solitude of this trip but it was especially good for groups of mixed abilities as each person could do as much or as little paddling as they chose. Highly recommended!"

FAVOURITE HIGHLIGHTS

"Days full of kayaking, evenings in the hot tub and wonderful meals shared with friends and family. But my personal favourite was watching the wildlife and witnessing all the whales."

Isabella Edmonds

"Oh the whales and the sea lions and wild weather and the eagles....a perfect West coast experience. We loved every moment."

Jennifer Black

"Surprised at how many whales there were. Especially the welcoming whale that was right off the dining area when we arrived. Awesome!"

Christine Moffat

COVID PRECAUTIONS & ADAPTATIONS

Ted & Anita Winkle

"During the pandemic we felt super grateful to be able to have this amazing experience. You handled the change in logistics wonderfully. Our guides were impeccable, informative but also allowing for quiet times."
